## CITY & COUNTY EMERGENCY OPERATIONS PLANNING

### SCOPE

This guideline shall apply to all members of the Stoney Point Fire Department (SPFD) and shall be adhered to by all members.

### PURPOSE

The purpose of this SOG is to establish procedures for all Stoney Point Fire Department members who respond and operate under and in accordance to Cumberland County's and the City of Fayetteville Emergency Operation Plan.

### DEFINITIONS

**SHALL** – Indicates a mandatory requirement.

**Standard Operating Guidelines (SOG)** – Documents that help establish how an organization will operate and how its members are expected to carry out specific duties outlined in general terms.

### GUIDELINES

Due to contractual agreements between both the City of Fayetteville (COF) and Cumberland County (CC) the Stoney Point Fire Department (SPFD) falls under and recognizes both the COF and the CC Emergency Operations Plan (EOP). Both define roles and responsibilities of all participating departments and or agencies. The COF Emergency Operations Plan addresses capabilities within the City of Fayetteville under the guidelines of the County Plan.

The Cumberland County North Carolina Emergency Operations Plan (EOP) dated February 23, 2006 is published on the Cumberland County Emergency Services web page at
