GUIDELINES

It shall be a violation of the guidelines for any Stoney Point member / employee (temporary, full-time, part-time, and volunteers), excluding law enforcement, to carry while on duty weapons of any kind on Stoney Point property or department vehicles.

Nothing in this policy shall prohibit a person from storing a firearm within a locked motor vehicle while the vehicle is on Stoney Point property. The firearm should be locked out of sight within the trunk, glove box or other enclosed compartment or area within the motor vehicle.

Employees, other than law enforcement officers, who are required by their job to carry such weapon as named above, must receive express approval for carrying such a specific weapon from the Fire Chief.

1. The employee must submit a written request for such permission;
2. Such request must specifically set forth reasons why such weapons is required by the employee in performing official duties.
3. Weapons will not be transported or stored on any Fire Department owned apparatus or vehicle at any time.

The Fire Chief will maintain a permanent file of all written requests for permission and all requests granted or denied, and maintain the approvals/denials in the employee's personnel file.

Members / Employees violating this guideline are subject to disciplinary action up to and including dismissal.

This policy is based on applicable state law, including N.C.G.S § 14-409.40, as amended from time to time. If at any time a conflict exists between this policy and state law, state law shall apply.
